Warranty

Residential & commercial warranty: Stiebel Eltron warrants to the original owner that the CK Trend wall mounted electric fan heater will be free from defects in workmanship and materials for a period of three (3) years from the date of purchase. Should the part(s) prove to be defective under normal use during this period, Stiebel Eltron, Inc. will be responsible for replacement of the defective part(s) only. Stiebel Eltron, Inc. is not responsible for labor charges to remove and/or replace the defective part(s), or any incidental or consequential expenses. Should the owner wish to return the heater for repair, the owner must first secure written authorization from Stiebel Eltron, Inc. The owner shall be required to show proof of purchase date, and to pay all transportation costs to return the defective part(s) or heater for repair or replacement. Warranty is void if heater has been installed or used improperly or if design has been altered in any way.
