CK & CKT Electric Fan Heaters

**Description**

Stiebel Eltron CK wall-mounted electric heaters are designed for installation where quick heat is needed. They have an ultra-quiet fan and will replace existing recess-mount heaters. A built-in thermostat has a frost protection setting. CK heaters will work with wall thermostats in rooms larger than 215 sq. ft. (20 sq. m.) The CKT adds a 60 minute timer designed to temporarily output maximum heat to quickly warm a space. When the timer goes off the unit reverts to the thermostat setting to maintain comfort.

- **Phase**: single
- **Voltage**: 120 V, 240 V, or 208 V
- **Wattage**: 1500 W
- **Amperage**: 12.5 A
- **Rated output**: 5122 Btu/hr
- **Air volume**: 106 CFM
- **Recommended circuit breaker size**: 15 A
- **Minimum wire size**: 14 AWG
- **Heating element**: nichrome wire
- **Thermostat**: bimetal type
- **High limit**: bimetal type
- **Motor**: 18 W shaded pole
- **Blower**: galvanized steel, squirrel cage type
- **Dimensions**: HEIGHT 18”/460 mm x WIDTH 13¼”/335 mm x DEPTH 4⅞”/123 mm
- **Weight**: 8.0 lb / 4.4 kg
- **Housing**: stove enameled sheet steel / plastic
- **Color**: Alpine White with black grill
- **Temperature range**: 45° F / 7° C
- **Frost protection setting**: 45° F / 7° C
- **Operating noise**: 49.7 dB(a)

**Warranty**

**Residential & commercial warranty:** Stiebel Eltron warrants to the original owner that the CK or CKT wall mounted electric fan heater will be free from defects in workmanship and materials for a period of three (3) years from the date of purchase. Should the part(s) prove to be defective under normal use during this period, Stiebel Eltron, Inc. will be responsible for replacement of the defective part(s) only. Stiebel Eltron, Inc. is not responsible for labor charges to remove and/or replace the defective part(s), or any incidental or consequential expenses. Should the owner wish to return the heater for repair, the owner must first secure written authorization from Stiebel Eltron, Inc. The owner shall be required to show proof of purchase date, and to pay all transportation costs to return the defective part(s) or heater for repair or replacement. Warranty is void if heater has been installed or used improperly or if design has been altered in any way.
